

Congregation Beth Am Request for Yahrzeit Plaque for the Memorial Wall

Yahrzeit Plaques are eight inches by two inches, made of bronze, with no border, using smooth protruding letters on a rough background in a bronze color. The plaques may have up to three lines (English name, Hebrew or Yiddish name in Hebrew characters, and date of birth and death).

The policies and procedures for the administration of the Memorial Wall by the Board are:

1. Each plaque will bear the name of only one person. All plaques will be identical in form — same size, same style of lettering, same material (bronze).
2. Plaques will be placed in order of purchase. However, plaques purchased previously may be moved next to a newly purchased plaque.
3. If the purchaser is a current member, or the decedent was a current member of the congregation, the cost of each plaque is \$500. Space(s) may be reserved for future needs at the current rate.
