Congratulations to our honorees Sheila, Shara, Miriam and Adam!

You each enrich our synagogue community in many different ways, and I am lucky to have the privilege of knowing and working with you all.

Sheila, you have always been so warm, friendly, and supportive of me and helped make me feel welcome in the community. You don't just do this for me, but for everyone at GHC. As head of the caring community, you are aware of what people are going through, whether they are in mourning, struggling with health problems, or celebrating a simcha. You make sure that everyone is acknowledged and supported. Thank you so much for doing this holy work.

Shara, you are a fixture of our religious school community, and you bring your creativity, caring, and educational expertise to our schools and synagogue. You are open and accessible, always ready with a smile and a positive attitude. You are always thinking of ways to help support and grow our school. Since you began as the head of the Education Committee, it has been a time of transition and change for our schools, but you have been a calm and capable presence throughout that time and have risen to the challenge. It is clear how much you care about our community and our young people. Thank you.

Miriam and Adam, you make an awesome team! Thank you for bringing a well-needed focus to our community on social action and justice. Connection to Judaism and spirituality does not just happen within the walls of the synagogue, but also out in the world, in our actions to help those in need. Thank you for showing us that and giving us opportunities to create more Tzedek in the world.

I am excited to celebrate, along with the entire GHC community, your hard work and accomplishments today. Y'shar kochachem

Sincerely,

Cantor Anna May
