Dear Sheila, Shara, Miriam, and Adam,

This is truly a celebration of partnership and leadership.

With great joy and admiration, I extend my heartfelt congratulations to you on your well-deserved honors at this year's annual gala. Your dedication, leadership, and unwavering commitment to our community are truly inspiring, and it is a privilege to celebrate with you and all of our community.

As we gather to honor your remarkable contributions, I am reminded of a profound quote from the Talmud: "Kol Yisrael arevim zeh bazeh," which translates to "All of Israel is responsible for one another." In this spirit of mutual responsibility and partnership, we have worked together closely, combining friendship with professionalism to achieve remarkable results.

Miriam and Adam, as chairs of the Social Action Committee, you have brought passion and expertise, leading with integrity and compassion. Your dedication to social justice and community service has touched the lives of many and serves as a shining example of the impact we can make when we work together.

Shara, in your role as Vice President of Education, you have demonstrated a profound commitment to the education and enrichment of our most precious asset, our children. Your leadership has fostered a love of learning and a deep connection to our traditions, ensuring that our values are passed down from generation to generation.

And Sheila, in your role running the Caring Community, you have shown boundless kindness and empathy in supporting those in need. Your dedication to providing comfort and assistance to our community members during times of hardship is truly commendable.

Together, your partnership embodies the spirit of friendship, professionalism, and mutual support that defines our community. It is through their collective efforts that we are able to create positive change and make a meaningful difference in the lives of others.

Congratulations once again to Sheila, Shara, Miriam, and Adam on this well-deserved recognition. May your leadership and partnership continue to inspire us all for years to come.

With love,

Rabbi Jay M. Stein, D.D.

A vibrant egalitarian Conservative Jewish community in Westchester County,
embracing our traditions while actively participating in our changing world.
