On behalf of the Norwegian Christian Home & Health Center, it gives me great pleasure to invite you to join us for a festive evening to benefit the mission of the Home.

On this night, we are pleased to honor three individuals who have etched an indelible mark on the Home and who have embodied its noteworthy history.

Michael A. Bovè is a proud, life-long resident of Brooklyn and has been an active contributing member of New York City for his entire life. Mike began a career in public service in 1972 with the New York City Department of Sanitation. In 1981, he became the founding President of the St. Rosalia-Regina Pacis Neighborhood Improvement Association, now known as the NIA Community Services Network. Mike has received many important honors and has been recognized for his activism, enthusiasm and reputation for bringing people together to make a difference in communities throughout the City of New York. We honor Michael Bovè with the Distinguished Service Award.

Bob Papaleo and John McCleery, Financial Advisors from the Papaleo McCleery Group at Morgan Stanley are our Business Partner Honorees. With more than 65 years of combined experience they have advised and served the comprehensive financial needs of institutions, families and wealthy individuals. Bob and John have worked extensively with the Home over the last 25 years. Each of the institutional clients

with whom they work has a mission to ensure the vitality and future of a particular community and we are grateful for their contribution to the continued success of the Home.

Ansen Tang, President of the United Chinese Association of Brooklyn is our Community Service Honoree. In order to improve their quality of life, Ansen and his family immigrated to the USA from Hong Kong when Ansen was in the 5th grade. After his academic studies in Brooklyn, Ansen joined the UCAB in 2019 as a computer teacher. He then became office manager and soon thereafter, President. He oversees the operations of the UCAB's three branches: Bensonhurst, Dyker Heights and Sheepshead Bay.

All three honorees have shown a heartfelt dedication to the well-being of the Home, its residents and staff and are mainstays of the Brooklyn community. Norwegian Christian Home is delighted to acknowledge these individuals for their contributions.

We ask that you share in the celebration and good company at Russo's on the Bay while supporting a great cause!

Sincerely,

Anthony J. Restaino, CNHA  
Executive Director
